

## TALOS

DESIGN: SCOOTER & PARTNERS, 2006

~ STRONGLY SUPPORTED, SOFTLY SEATED ~

Fine dining places strict demands on a dining room chair. The elegant Talos is a strong candidate with a modern design and a comfortable bucket seat. And thanks to its modest dimensions, you can stretch your legs even under smaller dining tables.

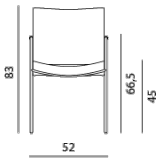

- Available as dining room chair with and without armrests.
- The arms (67 cm) are covered in leather or Alcantara. Wooden armrests in lacquer, oak or American walnut.
- Frame is finished in chrome. Option: Satin Chrome, lacquer or epoxy.
- The glides can be provided with felt for smoother floors.
