

DOLCINEA

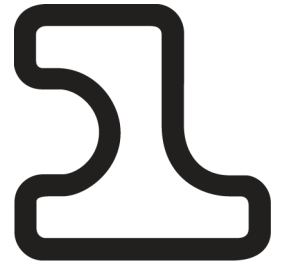

DESIGN: JAN ARMGARDT, 1992

~ HEART-WINNING ECCENTRICITY ~

This compact Leolux armchair is very comfortable thanks to the back that shapes itself to fit your body. The arched underside of Dolcinea makes it easier to stand up and prevents damage. Clever features that give this eccentric Leolux classic that all-decisive lead.

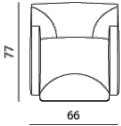

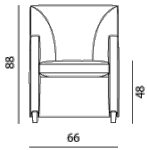

- Feet are finished in polished aluminium, lacquer or stained oak.
- Comfort option: seat depth +3 or -3 cm
