

## LILIOM

DESIGN: NORBERT BECK, 2010

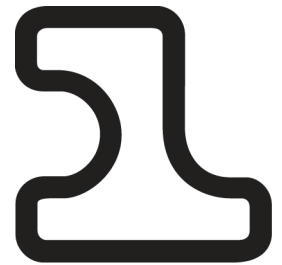

~ NATURAL ACCENTS FOR YOUR LIVING ROOM ~

### Liliom

These organically shaped little tables are available in various shapes and in three heights. You slide them over one another to save space or create a tidy look. For a natural accent you can choose a version in solid wood. Let your Liliom tables fit in with your seating with a finish in lacquer or leather.

### Features

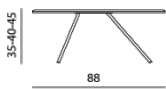

- Available in triangular or rectangular shape, in small or XL version.
- Leaves in lacquer, solid walnut or oak.
- Legs are finished in chrome. Option: Satin Chrome, lacquer or epoxy.
- Temporarily available in art edition "Liliom Marsman".

## LILIOM

DESIGN: NORBERT BECK, 2010

### **Table leaf, lacquered**

MDF (22 mm), in all Leolux lacquer colours (except Style).

### **Subframe**

Chrome-plated steel, satin chrome or in all Leolux lacquer colours (except Style), foot caps in plastic, semi-transparent.

### **Special features**

Do not place heavy objects on the covered table. Objects that cause high point loading (e.g. mugs, flowerpots) will leave indentations behind.

Liliom is available in three heights and three different leaf shapes

The XL lounge table is available only in solid wood and lacquer

There are many different ways to round off the styling of this table or set of tables

### **NB**

Maximum loading 25 kg
